

Plantation Drive on the Occasion of

World Environment Day 2024

On the occasion of World Environment Day, a Plantation drive was held in our IIMT college premises on 5th June, 2024. The aim was to sensitize the issue of environment protection in the young generation. Today it is a grave concern that human had intervened a lot in the nature because of its greed for development and luxury. Due to all this technology, industrialization the nature cycle has got disturbed. To make this occasion really worthy of action we decide to plant trees to ensure our safe and healthy future.

On this occasion one sapling each was also planted by IIMT's Chairman Er. Pankaj Mahalwar, Principal Mr. Shambhu KEN Singh Rawat, all Head of Departments and the students more than 40 trees were planted on the occasion

Dr.Indu Singh Head of Management Department added that, "We should not only save the trees but should put our equal efforts in planting as well nurturing the trees at least for next 4/5 years". She also explained the importance of such an event to develop a good virtue in one's life. It is our moral responsibility to conserve the nature with the highest priority.

All the students also took the pledge to protect and water regularly to nurture the plant in a big tree. The immediate need of afforestation to reduce the greenhouse effect of excess CO₂ in the environment was also discussed. The extensive event organised went a long way in introducing and orienting the young minds to develop a continuing compassion for Mother Earth and thus making a difference.

Glimpses of the occasion:
