Commemorating the 4th Anniversary of the National Education Policy (NEP) 2020, a special lecture by Dr.V.P Pandey Professor, Shri Varshney College was held at the Institute of Information Management & Technology (IIMT) on 21 Aug 2024. The lecture was attended by students of B.ed, BTC & Management .The NEP2020 Cell of IIMT in collaboration with the Institution's Innovation Council and the Department of Teachers Education organized the event.

Dr. Anju Saxena, Head department of Teachers Education commenced the program with his opening remarks. She set the stage by outlining the guiding principles of NEP2020, emphasizing its focus on Holistic Education. Dr.V.P Pandey compared the NEP2020 policy document and the vision of the Founder Chancellor, noticing that the IIMT education system aligns with NEP2020's goals.

Speaking on the topic "Innovation and Creativity in Education – The NEP2020 Way" Dr.V.P Pandey provided an insightful overview of NEP2020. He elaborated on the policy's features, particularly its school and university education vision. He focused on the new four-year undergraduate program, emphasizing its creative curriculum and features such as internships and multiple entry-exit points. He highlighted how NEP2020's emphasis on holistic education resonates with IIMT's longstanding commitment to this approach. He encouraged students to appreciate the value of their education at IIMT, underscoring that the institute's practices align with NEP2020's principles.

In his closing remarks, He praised the institute's curriculum, which includes awareness classes, moral education, service activities, and self-reliance programs, for fostering holistic personal growth and imparting life lessons consistent with the NEP2020 policy. The event concluded with a renewed appreciation for NEP2020's vision and IIMT's ongoing role in advancing holistic education. The Head of Department of Teachers Education felicitated the speaker by presenting a memento.
